

Knudsen Kilen A/S

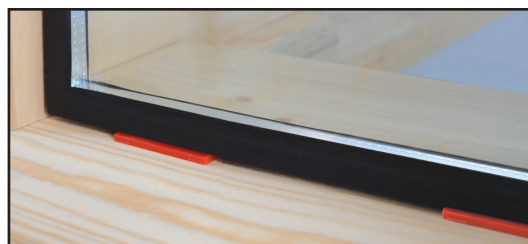

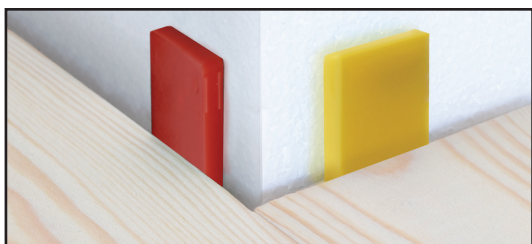

Shims

Shims

For Fast and Precise Work...

- Do not split with drilling of nails or screws
- Not affected by damp, dry, rot or mould
- Inexpensive and timesaving to use
- Tested for maintaining strenght / shape
- Produces no toxic fumes in fires
- Produced in accordance with ISO 9001 : 2000

Shims are typically used mounting window glass, fitting kitchens, bathrooms, staircases, but are also used in the household in a large number of contexts.
